# HAPPY HOUR "MUSIC THROUGH THE DECADES" WITH TRISH GLAAB

## FRIDAY, FEBRUARY 13<sup>TH</sup> @ 2:00PM

Trish is a singer and musician that plays a baritone ukulele to perform music of many decades and styles – always with a focus on songs that are upbeat and empowering. Her program is an uplifting reminiscence of iconic songs beginning in the 1950's and moving forward to the current decade including folk, country, rock, and reggae, and noting how the music tied to the mood of the country in its day.
