# MUSIC THROUGH THE DECADES WITH TRISH GLAAB

## THURSDAY, FEBRUARY 26<sup>TH</sup> @ 3:00PM

Trish sings and plays a baritone ukulele to perform music of many decades and styles – always with a focus on songs that are upbeat and empowering. “Music Through the Decades” is an uplifting reminiscence of iconic songs beginning in the 1950’s and moving forward to the current decade including folk, country, rock, and reggae, and noting how the music tied to the mood of the country in its day.
